Blanket orders are demand forecasts that are only used for capacity planning and do not constitute a purchase obligation. Services may only be provided on the basis of individual call-offs.

"For training services, the Special Terms and Conditions for the Commissioning of Training Services (available at <https://www.bosch.com/de/unternehmen/supply-chain/informationen-fuer-geschaeftpartner/#einkaufsbedingungen>) also apply.

For services in connection with photos, graphics and film, the Special Conditions for the Awarding of Photographic, Artwork and Film Contracts (available at <https://www.bosch.com/de/unternehmen/supply-chain/informationen-fuer-geschaeftpartner/#einkaufsbedingungen>) also apply.

For FCM services, our Special Terms and Conditions for "Awarding Building Contracts (BVB) (available at <https://www.bosch.com/de/unternehmen/supply-chain/informationen-fuer-geschaeftpartner/#einkaufsbedingungen>)" apply in addition to the Robert Bosch GmbH Purchasing Terms and Conditions.

This order is valid only for products in relation to which it is ensured that they do not incorporate any iron or steel products originating in Russia/Belarus.

In the event that this is not guaranteed with regard to the products you intend to deliver, please refrain from delivery and send an email (including reference to this order number) to the contact email-address in the header of this purchase order.

The delivery of the ordered goods constitutes your confirmation that the delivered goods do not incorporate iron or steel products originating in Russia/Belarus.

Bosch Global Software Technologies Private limited is committed to high standards of legality and business ethics. This includes dealings with suppliers, dealers, service providers and all customers. It is a condition of this agreement as well as of the continued relationship that SUPPLIER will in its business relation observe high levels of legality and business ethics and desist from making or accepting any bribe or gratification. Breach of the legality obligations will entitle Bosch Global Software Technologies Private limited to terminate this agreement without observing any notice period. Registered Office: 123 Industrial Layout, Hosur Road, Koramangala, Bangalore 560 095 India

Compliance with all applicable national and international (Re-) Export Control Compliance Laws and Sanctions Regulations is of utmost importance to the Bosch Group. As a consequence thereof, Bosch Group will only accept any products and/or services provided by its suppliers that are in full compliance with all applicable (Re-) Export Control Compliance Laws and Sanctions Regulations, including but not limited to, those of the UN, EU & US. You as a supplier are obliged to take any actions necessary to fully comply with all applicable (Re-) Export Control Compliance Laws and Sanctions Regulations at any time and to ensure that the delivery of products or performance of any services is in full compliance with these laws and regulations in countries any products are to be sold or used as agreed or contractually stipulated with Bosch. Besides, you shall be obliged to inform Bosch Group without undue delay about any changes of and with regards to applicable laws and regulations that may have any impact on the export, (re-)export or use of the products and/or services provided by you.

This Purchase Order shall be governed by the purchasing terms and conditions of Bosch (POTC), which can be viewed on the internet under <https://www.bosch.com/company/supply-chain/information-for-business-partners/#purchasing-terms-and-conditions> and be applicable to all suppliers. However, for suppliers who have signed Corporate Agreement with us, the terms and conditions of the POTC shall be applicable only to the extent they are not covered under the Corporate Agreement. Please return a signed copy of this Purchase Order as a token of your unconditional acceptance. Further, the supplier is obliged to comply with the Bosch Norm: N2580 & EHS requirements. The Norms/EHS requirement should be accessed through the internet page <http://www.bosch.in> under the section of Purchasing and Logistics. Please use our Order number and QB-Number for each delivery and Invoicing.

On the invoice please always mention a purchase order number, a contact person on our side and a tax ID. Remember to create the invoice line items matching exactly our purchase order. Our company's requirements of the invoices can be found in the link: <https://www.bosch.com/company/supply-chain/information-for-business-partners/#invoicing-and-payment-information>.

1. Invoice Submission:
 - Please submit the invoice copies within 3 days from the Invoice date
 - If ePortal is activated, please submit Tax invoice through ePortal. Ensure the invoice is sent to the right legal entity's email ID shared at the time of onboarding to ePortal
 - If ePortal is not activated, please submit the soft copy of invoice to Bosch Scan Centre email id Digital.Archiving@in.bosch.com
 - Please mention the GSTIN Registration number on the invoice
 - Please check the validity of the PO and sufficient Value / Quantity/ Price entered in the PO before raising the Invoice to avoid any rejection during invoice processing
 - PO number and Name of Contact person/ Requester/ Recipient of Material or Service should be mandatorily mentioned on the Invoice
 - When invoice is raised to SEZ locations, NO GST is applicable; however, please ensure that required documents are available/ updated
2. For any queries with regard to payment status / outstanding invoices please write your queries to AP.INDIA@in.bosch.com
3. Do not club items of multiple PO's in a single invoice. Separate Invoice should be raised for individual POs.
4. Please ensure that invoice contains our Part No. / Item description as specified in the PO (do not split order quantity as full shipment only, unless otherwise agreed in writing with the user/requestor) and should be in English and duly signed.
5. Invoice to be made exactly in line with PO (i.e., Item description, price, quantity, billing and shipping address should match). Discrepancy in any form may lead to invoice rejection
6. While raising invoice, supplier to ensure "Ship To" and "Bill To" address are the same.
7. Any discrepancies in PO needs to be communicated to Bosch with in 48 hrs of PO receipt. Kindly send us
